

Christ Episcopal Church– Online User Survey #1

What strikes you first?	When I first saw this site I noticed the colors and how they made me want to just stay and look around a while. The neatness and uncluttered pages were nice. I didn't feel like I was going to be overwhelmed with information or that it would be hard to navigate.
Please give me your initial impressions about the layout and design of this page by choosing one of the following options:	The site genuinely satisfies the site's intent and targeted audience
What do you feel is the purpose of the site?	I feel that the purpose of this site it to give the members of this congregation ways obtain information about the happenings around the church and to reach out to the community they serve.
Who, specifically, do you think might visit the site regularly?	I think this site will be visited by people that go to this church and who may be interested in finding a church or maybe some one who needs some help or counseling.
Find where the times of services for this church is located. Was it easy to find?	I found the service times with no problem.
Are fonts and titled sections easy to read and understand?	Yes. All text is clear both in appearance and meaning.
If you had to contact the administrative secretary could you easily find their contact info? Select a Choice	Yes, it was extremely easy to find.
What was your favorite part about this site?	I think my favorite part of this site is the color scheme. Also, it is not cluttered.
What was your least favorite part about this site? List some things that you would change if you were the creator.	If I were the creator I might make the font size just a little larger. So, I guess my least favorite part is the font size.
Any additional comments?	I really enjoyed the site and looking around. I did notice however, that the PDF's do not work. Maybe that could be addressed.

Add comments or suggestions	Great job!

Christ Episcopal Church– Online User Survey #4

First thoughts?	<p>Good color palette, Nice on the eyes.</p> <p>The navigation isn't completely inline. "Contact Us" is below "Home" in the navigation. I'm sure it's a bug and easy to fix :)</p>
First Impression?	<p>Same as above.</p> <p>Clean and easy to read.</p>
Who do you think will be visiting this site?	<p>The CEC congregation, Regular visitors and possibly those looking for a Church.</p> <p>Usually, mid-to-late 20s, up to maybe 40s? Gender probably not so significant.</p>
Please give a detailed description of the site.	<p>The purpose of the website is to invite and welcome people to CEC. To attain information regarding service times and get people to sign up to its newsletter.</p>
Are fonts easy to read and understand?	<p>Yes. All text is clear both in appearance and meaning.</p>
Can you easily find the service times?	<p>Yes.</p>
Add comments or suggestions	<p>I find it odd that your "Contact Us" page includes other information which doesn't seem to fit, although could be used in other places.</p> <p>("Church Office", "Interim Pastor", "Organist/Music Director" and "Administrative Secretary")</p> <p>And one last thing, on the same page you have a sidebar, which isn't included in the "News & Events" page. Is this intentional?</p> <p>Other than that, you did a great job!</p>
